DEPARTMENT OF EDUCATION

34 CFR Part 600

RIN 1840-AD04

[Docket ID ED-2010-OPE-0012]

Program Integrity: Gainful Employment—New Programs

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Final regulations.

SUMMARY: The Secretary amends the regulations for Institutional Eligibility Under the Higher Education Act of 1965, as amended (HEA), to establish a process under which an institution applies for approval to offer an educational program that leads to gainful employment in a recognized occupation.

DATES: These regulations are effective July 1, 2011. However, affected parties do not have to comply with the information collection requirements in § 600.20(d) until the Department of Education publishes in the **Federal Register** the control number assigned by the Office of Management and Budget (OMB) to these information collection requirements. Publication of the control number notifies the public that OMB has approved these information collection requirements under the Paperwork Reduction Act of 1995.

SUPPLEMENTARY INFORMATION: On July 26, 2010, the Secretary published a notice of proposed rulemaking (NPRM) for gainful employment issues in the **Federal Register** (75 FR 43616).

In the preamble to the NPRM, the Secretary discussed on pages 43617 through 43624 the major regulations proposed in that document to establish measures for determining whether certain programs lead to gainful employment in recognized occupations and the conditions under which those programs remain eligible for title IV, HEA program funds. In these final regulations, we address in a limited way only one issue from the proposed regulations: The provisions relating to the Secretary's approval of additional programs. The remaining issues will be addressed in final regulations that we intend to publish in the next few months.

Implementation Date of These Regulations

Section 482(c) of the HEA requires that regulations affecting programs under title IV of the HEA be published in final form by November 1 prior to the start of the award year (July 1) to which they apply. However, that section also permits the Secretary to designate any regulation as one that an entity subject to the regulation may choose to implement earlier and to specify the conditions under which the entity may implement the provisions early.

The Secretary has not designated any of the provisions in these final regulations for early implementation.

Analysis of Comments and Changes

These final regulations were developed through the use of negotiated rulemaking. Section 492 of the HEA requires that, before publishing any proposed regulations to implement programs under title IV of the HEA, the Secretary must obtain public involvement in the development of the proposed regulations. After obtaining advice and recommendations, the Secretary must conduct a negotiated rulemaking process to develop the proposed regulations. The negotiated rulemaking committee did not reach
